

BIOTECH NEEDS YOU!

We are looking for individuals and
organisations who trust in innovation

Join a community of frontrunners — policymakers, NGOs, researchers, businesses, and citizens — committed to **shaping the future of food and circular bio-based systems**

What you will do

- Support **B-Trust values** and **co-creation principles**
- Promote **trust-building tools** and **evidence-based actions**
- Advocate for **transparency and society engagement in biotech**
- Share an **apply project insights** within your network

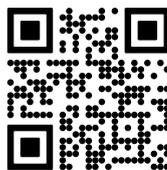

Why it matters

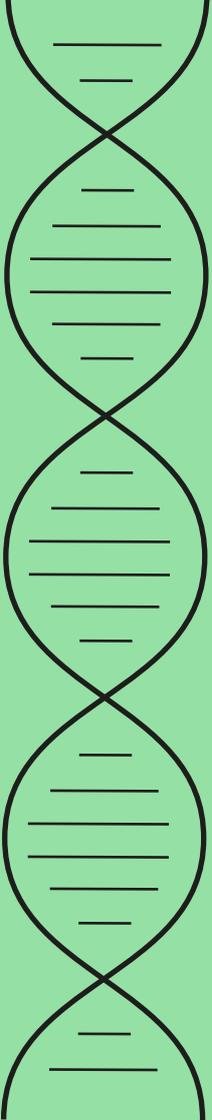

Trust isn't given—it is built.

And it is built by people like you, who believe science should be shaped with society, not just for it
